THE ALL-NEW

OKAVANGO

GEELY

DESIGNED FOR EVERY DESTINATION

THE ALL-NEW OKAVANGO

As Geely's first-ever 7-seater SUV, Okavango is engineered to deliver an unmatched combination of superior on-road refinement, premium styling and craftsmanship inside and out, and a host of advanced safety and technology features.

POWER

Exciting combination of a 1.5TD turbo direct injection engine (jointly developed by Geely and Volvo) and a 48V "Electric Motor Synergy" battery offers breathtaking performance and fuel-efficiency:

• Maximum Power: 188 hp
• Maximum Torque: 300 Nm
• Fuel consumption: 6.6L / 100 kms

SPACE

Enjoy a comfortably spacious ride with the smart interior design that makes every journey unique and fun.

7 Individual Seats

Seven individually controlled seats and one-meter legroom space in the second row for maximum comfort for everyone in the family.

2050L Expanding Trunk Space

Have the space you need to bring everyone or anything along for the ride. The 2nd and 3rd rows fold fully flat, so you will enjoy lots of cargo space and organization.

19 Customizable Seats Layouts

User-friendly design allows for seats on both sides to be moved forward and tilted upwards providing convenient passage and access.

42 Storage Spaces

Whether its kids' toys or sports equipment, Okavango offers ample space for all our storage needs.

DESIGN

Designed with the family in mind, blending space, flexibility, safety and affordability to offer unprecedented value.

Front Grille

Elegant curves combined with sleek lines that turn heads on the road. Road trips with the family have just gotten more elegant.

Skyline Double-tracked Ceiling Rack

The aerodynamic streamlined design reduces wind resistance and features a powerful carrying capacity.

Intelligent Multi-dimensional Exterior Rearview mirror

The electronically adjustable and foldable exterior rearview mirror, carries turn-signal function and supports automatic heating and defrosting.

18-inch Wheels

Stand tall with shiny 18-inch wheels and enjoy smoother drives thanks to higher ground clearance.

COMFORT

Every drive is a wonderful luxury with the comfort of beautiful interior design and premium materials.

Intelligent 3 Zone AC

Set the temperature to whatever your family wants thanks to the rear controls and 3rd-row vents. Whether they want it warm or cold, everyone in the family can control their temperature.

60-inch Panoramic Sunroof

Open up to an expansive world of breathtaking possibilities.

Elegant Interior

Enjoy driving wonderfully distinct luxury with a simply stylish dashboard. All the controls you need are easily accessible to make driving comfortable and hassle-free.

Premium Leather Seats

Soft and smooth seats for maximum comfort even during longer drives. Treat your family with nothing but luxury.

TECHNOLOGY

Experience mobility with advanced technology for a comfortable and pleasurable drive.

ADB Matrix LED

Enjoy seeing even more of the route ahead during your adventures! Let this advanced lighting technology provide you with better visibility on the dimly lit roads by managing its illumination based on the situation.

12.3 Inch Digital Instrument Panel

All your driving information in a bright and readable panel. One quick glance will tell you all you need from speed, fuel, battery, and other essential driving information.

10.25 Inch HD Infotainment Panel

See everything from navigation, entertainment and calls on a large screen. Controlling music for the family, listening to directions, and taking on calls is easier with just quick taps.

360° HD Panoramic Camera

Maneuvering has never been this easy - see everything around you with tactically placed wide and high-definition cameras. Whether you are parking or coasting, you can check out what is happening around you on the large 10.25" HD screen.

Pilot Electronic Gear Shifter

Experience wonderful driving comfort with an easy-to-handle electronic gear shifter. Move through the gears with just a simple flick of the wrist.

Electric Intelligent Tailgate

Storing items and operating Okavango's rear is easy and hassle-free. One push of a button opens the tailgate automatically.

Electronic Parking Brake + Auto-hold

Give your foot a rest for stop and go traffic. Just step on the brake once to put your car at a full stop. One press of the Electronic Parking Brake firmly secures your car in place.

Remote Engine Start

Warm-up your engine and cool down your car without even getting inside it. Even when you are chilling inside your home or getting ready for the road, the Okavango will be ready for your family with just a simple click.

SAFETY

Enjoy the confidence to travel with peace of mind thanks to advanced safety technologies.

Electronic Stability Control

Keeps your drive stable and comfortable with the advanced Bosch 9.3 ESP (Electronic Stability Program). Avoid skids and slips when driving on wet roads.

6 SRS Airbags

Four 5.0-generation airbags and two curtain airbags provide comprehensive protection and safety for all passengers.

Hill Start Assist

Helps you climb steeper roads by holding your brakes when no driver input is detected while you are ascending hills.

Hill Descent Control

Makes going down hills easier by preventing you from skidding forward when input is delayed during downhill driving.
